

StormShield®

MULTI-LAYERED CYCLONE RESISTANT GLASS - BY GLASSHAPE LTD

StormShield® - *certified cyclone resistant glass by Glasshape®*

How to specify

Cut and paste directly onto your plans, the glass specification type that best suits your project. Add in any other special detail such as tint colours after the contact details. Contact our StormShield Product Manager Paul Forrest for assistance with appropriate thickness for compliance with AS1288:2006.
